Fifty-Seventh Season—New Piasa Chautauqua

The 1942 Season at Chautauqua will open Saturday, June 20th and continue twelve weeks closing September 12th. For the third time in its history Chautauqua will carry on its summer activities while our nation is at war and while the serious aspects of the conflict with its sadness and anxiety to all people will likely be uppermost in their minds the peaceful valley of Chautauqua continues to offer a diversified program for its visitors to enjoy and bring that Divine peace of mind necessary to carry on under existing conditions.

The entire resort more beautiful than ever with its natural loveliness and cool evenings offer an ideal location for that rest which has been so beneficial in the past and this year's program has been arranged so as to obtain the most benefits possible to assure one of that worship so important at present.

Devotional meetings with regular Sunday services under the leadership of outstanding ministers of the gospel will continue to occupy a distinction place on the 1942 summer program. To those who care to worship in the great outdoors the entire valley offers every evidence of the handiwork of a Supreme Architect. It means something to enjoy such a retreat with all the quiet refined atmosphere Chautauqua has to offer and a pleasant vacation awaits you.
